<td><strong>1.</strong> Joshua took over from Moses as leader. His job was to lead them into the Promised Land. He was very scared but he knew God would help him.</td>
<td><strong>2.</strong> The first thing the people had to do was destroy a city called Jericho. Joshua sent two spies to tell him what it was like there.</td>
</tr>
<tr>
<td><strong>3.</strong> The King was on the lookout for them. A woman called Rahab hid him from the King's men.</td>
<td><strong>4.</strong> She helped them escape by hanging a rope outside the city wall. They climbed down and ran back to Joshua.</td>
</tr>
<tr>
<td><strong>5.</strong> God told Joshua to cross the River Jordan with all the Israelites. The water parted and they crossed over safely.</td>
<td><strong>6.</strong> God told Joshua how to capture the city. He had to give horns to 7 priests to blow.</td>
</tr>
<tr>
<td><strong>7.</strong> Then the soldiers and priests marched round the city 6 times with the priests blowing the horns.</td>
<td><strong>8.</strong> The 7th time they marched they all had to shout and the walls fell down. Joshua and his men marched in and destroyed the city.</td>
