CHRISTMAS CARDS

Materials:

Blank cards with Christmas greeting - variety of colours: 2 on each A4 page, to fit C6 envelopes

Christmas paper squares - smaller than card, to layer decorations

Variety of sticker decorations - from pound shops

Happy Christmas labels - print on standard 21 label templates

Glitter or glitter glue,

Wooden stars - from Amazon: click here to buy

Green card trees - template given

Extra paper to cut up for presents on cards

Ribbon

C6 Envelopes

PVA glue, or Pritt sticks

(The next page is the template for 2 cards - print it on coloured card - green or red and then fold it so that 'Happy Christmas' is on the inside and cut into 2, so that each card is C6 size)
Happy Christmas
